

Our History

Active Faith Community Services works with low-income households residing within the 83 square mile South Lyon School District.

There were ten local pastors who started the organization as a Christian based, non-denominational, non-discriminating, licensed, 501C3 charity in 1987. Our purpose is to provide food and clothing to low income households. Active Faith strives to meet the needs of the community it serves.

Our Mission

To provide both long term and temporary assistance to those who have fallen on difficult times in hopes of those individuals gaining independence.

As we hold our 22nd Annual Golf Outing, it's important to remember our goal to the community. In the 31 years that Active Faith has been serving the area, we've continued to provide long term and temporary assistance to those who have fallen on difficult times in hopes of returning them to the independent pursuit of their life's goals.

Your support for Active Faith is heartwarming. We hope you enjoy friendly competition on the links and thank you on behalf of all the families that utilize Active Faith's services.
